

Everest Expeditions Nepal

Nepal - a country of nature and diversity. In terms of natural, cultural, ethnic, religious, biological diversity, Nepal is a master piece in the entire globe. The majestic Himalayan ranges in the north claim eight out of the ten highest peaks in the world, including Mount Everest (8848 m) the top of the world. Nepal is a small country in south Asia situated between two giant nations, India and China (Tibet). Nepal is a trekker's paradise.

Everest Expeditions Nepal Trekking and Expeditions (P). Ltd. is an organization operated by dedicated professionals, properly prepared to meet the expectations of all trekkers, climbers, mountaineers, general visitors and tourists as well as those with special interests, for example geologists, earth scientists and anthropologists. We have great pleasure to be able to tailor make trips to suit your needs best.

The company was established with an aim to provide different kinds of facilities for foreigners visiting Nepal and neighbouring countries. We have been in this business for 25 years, so we have very dedicated professional and experienced team members.

We are committed to give you the quality service; not least this includes matters of safety, respect, hygiene, hospitality and the best quality equipments.

We are specialists in trekking, climbing and tours in Nepal, Tibet and Bhutan.

Why Trek in Nepal!

Just as most capital cities are not fully representative of their respective countries, so Kathmandu is not fully representative of Nepal. If you have the time and energy to trek, then don't miss the opportunity to leave Kathmandu and see the spectacular beauty and the unique culture of Nepal. Fortunately for the visitor, there are still only few roads extending deeply in to the hills, so the only way to truly visit the remote regions of the kingdom is in the slowest and most intimate manner - walking.

Trekking:

What is Trekking???

Trekking means a journey undertaken on foot for sight seeing in areas where modern transport system is not normally available. A walk of a few or more days through the hills of Nepal will not only give you a view of the mountains, but also take you through remote villages inhabited by hospitable people.

We invite you to join us on visit to this remote region to see the truth of your dream.

Tea House Trek (Lodge Trek):

Tea house trek is the most independent way of adventures trip in Nepal Tea house trekking is the most popular form of trekking along the many established trails in the Himalayas.

Popular Tea Houses Trek:

Annapurna Region: Annapurna Base Camp Trek, Annapurna Circuit Trek, Annapurna Royal Trek Annapurna Ghorepani "Poonhill",Annapurna Jomsom Muktinath Trek, Tatopani Loop, Gorepani Poon Hill Trek,

Camping Trek (Fully organized Trek):

Camping Trek is a classic style of trekking conducted specially in the remote areas of Nepal where all the trekking gear such as tents, mattresses, sleeping bags, kitchen utensils, etc. will be provided by us.

Popular Organized Trek:

Mardi Himal, Sikles Tara Hill Top Trek, Royal Trek, Rolwaling to Khumbhu, Round Mansalu Trek, Makalu Base Camp Trek, Ganesh Himal Trek, Dhaulagiri Base Camp Trek, Upper Dolpa Trek, Lower Dolpa Trek, Upper Mustang Trek, Rara Shey Phokshundo Lake Trek, Jumla Simikot Trek, & Many More.

EXPEDITIONS / MOUNTAINEERING:

Nepal is a country well known for its Himalayans Mountains. Among the 10 highest peaks in the world, eight, including the highest peak Mt. Everest, crown this country. Nothing on earth can beat the exhilaration of scaling them. No wonder Nepal is the favorite destination for mountaineers and every year more than 600 expedition's trudge up the Himalaya, including the trekking peaks.

NEPAL PEAK CLIMBING & COURSES (6 DAYS)

EXPRESS CLIMBING COURSES (4 DAYS)

3 PASS & 3 PEAKS (1st time in NEPAL)

If you can trek why not climb?

Everest Expeditions Nepal is the pioneers of the mountaineering school for westerners in Nepal. Nepal is the perfect classroom clear skies, warm days and consistent conditions. We do not want to just lead you to the top of a snow - capped mountain. We want to teach you the skills to make you a competent team member of any future mountaineering expeditions. Our ratio of one instructor to three when learning skills or being guided, means you will get high level of attention we consider necessary.

Who can join the courses???

This course is suitable for the complete novice or a good refresher course for those who want to climb again. You will have discussions

on equipment. Weather, avalanches and mountaineering in general. You will have instruction on crevasse rescue, glacier travel, ice climbing, and snow craft.

Rafting/Kayaking

Nepal has earned the reputation as one of the best destinations in the world for white water rafting. Nepal's thundering rivers, coming from the glaciers of the mighty Himalaya, provide unmatched thrills for rafting and immersing oneself in the landscape. A rafting trip is bound to be the highlight of your stay in the country.

Besides the spectacular rivers, the superb mountain scenery and a rich cultural heritage are the added benefits for the tourists. No other country has such a choice of trips on wild rivers with warm water, a sub tropical climate and huge white -sand beaches ideal for camping.
